Explanatory note on IPU online registration

The IPU Secretariat online registration system can be accessed through the 144th Assembly webpage, simply by clicking on the Registration button. The system will be open from 4 February to 14 March 2022, after which delegates should register and make changes with the IPU registration service: registration@ipu.org.

Important: There should only be one coordinator per delegation. S/he will be the sole user of the online registration system.

The registration process is as follows:

1. Click on "Register for this event" on the Assembly webpage to register for the 144th Assembly.
2. Carefully enter the information requested on the first page. Please note that **this information cannot be edited at a later stage**. In your capacity as delegation coordinator, do not forget to include yourself if you plan to attend the event.
3. Provide an individual email address for each delegate¹ (this is mandatory, as it is part of the delegate's registration identity).
4. Fill out the date of birth for each delegate.
The Secretariat uses this information in the preparation of the Assembly statistics (monitoring of youth participation in the political process).

The registration process includes a **validation phase**, during which system administrators will examine your registration. Once your registration has been validated, you will be sent a confirmation email. Otherwise, one of our administrators will contact you for any action that requires follow-up.

Should you have any questions on registration, please send them to registration@ipu.org with copy to postbox@ipu.org.
