#### **Introduction**

By bringing together religious leaders from different faiths, this session aims to explore the different strategies used to promote coexistence and tolerance among diverse communities, while shedding light on collaborative approaches to adopt interfaith coexistence and overcome obstacles to create an inclusive and tolerant society.

#### **Executive summary**

Interfaith dialogue and religious tolerance are significant tools in the development and adaptation of inclusive communities. Religious leaders and parliamentarians can engage in joint efforts to influence peace and coexistence, and collaborative efforts to establish interfaith initiatives. Efforts to build interfaith dialogue and foster interfaith coexistence are major tools in overcoming religious intolerance. This panel will bring together faith leaders and parliamentarians to explore such joint efforts and discuss how can they contribute to promoting coexistence within their communities.

#### **About the Manara Center for coexistence**

Launched in the United Arab Emirates (UAE) in March 2023, the main purpose of the Manara Center for coexistence is to be a best-in-class organization devoted to promoting coexistence in the region. The Manara Center is built on and supports core UAE values and tolerance initiatives, such as the Year of Tolerance, the Abraham Accords and the Abraham Family House. Drawing on expertise in youth engagement across the region, the Center also works to dispel stereotypes among diverse peoples, while fostering greater social inclusion and acceptance.
