Geneva, 16 January 2025

Dear Madam/Mr. President,
Dear Madam/Mr. Speaker,

We are pleased to invite your Parliament to the IPU Global Conference of Women Parliamentarians, to be held in Mexico City, Mexico, from 13 to 16 March 2025. The title of the Conference is ***From Mexico to the world: Let's mobilize for gender parity!*** The Conference is being jointly organized by the Inter-Parliamentary Union (IPU) and the Senate of Mexico.

The IPU Global Conference of Women Parliamentarians is an exciting platform for women members of parliament to get together, exchange ideas, learn from each other, and define common and innovative strategies to advance gender equality and women's rights and empowerment. It will include a variety of interactive panels and working group sessions, and will address topical issues in a bid to provide gender-responsive policy orientation. Delegations are therefore encouraged to come prepared with examples of good practices to share with their colleagues.

The Conference will focus on promoting gender parity in parliament. Participants will hear from a diverse group of parity parliaments, identify the remaining challenges in ensuring equal voices and power for women, and examine effective strategies on the road towards parity.

We are pleased to invite you to send a delegation of up to four members of parliament, including one male MP, to attend the Conference. We also encourage you to include at least one young woman MP (under 40).

Registration can be completed [here](#). Additional documents related to the Conference are available on the Conference website [here](#). We would be grateful if you could complete your Parliament's registration **by 1 March 2025**.

We look forward to welcoming a delegation of your Parliament to Mexico.
