## SIGN-UP FORM

The 15th Summit of Women Speakers of Parliament (15SWSP), convened by the Inter-Parliamentary Union (IPU), in close cooperation with the Swiss Parliament, will take place in Geneva, Switzerland on 28 July 2025. The Summit will be held at the premises of the International Labour Organization.

The Summit will focus on the theme **Leading for inclusive and lasting peace**. During the proceedings, the two sessions of debate will focus respectively on *The women, peace and security agenda 25 years on: Persisting challenges and the way forward* and *Emerging challenges to inclusive and lasting peace and the way forward*. The second debate session will include a keynote address followed by a Doha-style debate among women Speakers and Presidents. The Doha-style debate format involves focusing on controversial motions, with some participants speaking in generally in agreement with the motion and others holding views that differ from the motion.

The women Speakers will present an outline of their arguments and then the floor will be opened for comments. At the end of the debate, a moderator will sum up key findings, conclusions and recommendations.

**Please indicate which of the proposed sessions, as well as which of the motions (giving a preference of 1 or 2, 1 being your top choice) you would like to contribute to in the table below.**

Where possible, slots will be allotted according to stated preference, but the need to have a balanced mix of participants from around the world will also be taken into account. Please note that only live contributions will be allotted slots. Given the lively and interactive nature of the debates, pre-recorded contributions will not be shown during the proceedings but will be posted on the Summit website.

**Women Speakers may contribute to motions (for or against) by making a three-minute (maximum) statement.** In addition to their contribution to one or two chosen motions, women Speakers and Presidents may also make spontaneous contributions by answering questions and making comments on any of the other motions being debated. Such spontaneous contributions shall be limited to one minute each.

**Please return this sign-up form by 30 June 2025.**
