## Instructions for the group photo for the Sixth World Conference of Speakers of Parliament

*Wednesday, 30 July at 13:00 on the steps outside Hall 14 opposite the Pregny entrance*

On Wednesday, 30 July at 13:00 (at the conclusion of the morning sitting of the General Debate), Speakers of Parliament and the members of the Preparatory Committee **ONLY** will be invited to come to Hall 14 using the doors at the back of the Assembly Hall.

Each Speaker of Parliament and member of the Preparatory Committee will have received a piece of paper along with their lapel pin which they should bring with them to facilitate the smooth organization of the group picture.

IPU staff will invite the Speakers and members of the Preparatory Committee to assemble by groups in Hall 14 according to their paper.

Please note that **ONLY** Speakers and members of the Preparatory Committee will be in the picture. Due to limited space, we regret that Deputy Speakers and Heads of Delegation who are not Speakers will not be allowed in the picture.

Parliamentary staff and security officers are kindly requested **NOT** to accompany their Speakers.

Photographers **ONLY** may use the side exits on level 2 to assemble outside the entrance to Hall 14.

IPU staff will accompany the members of the Preparatory Committee and Speakers of Parliament outside to their corresponding place on the steps outside Hall 14, marked on the ground accordingly.

The IPU photographer will take the official photograph. Other photographers are also welcome to set up opposite the steps on the grass bank behind the Pregny entrance.

Speakers of Parliament and Members of the Preparatory Committee will then be invited to make their way to the Delegates' Restaurant on the 8th floor for lunch.
