The Role of Parliament in Shaping the Future of Responsible AI**

Official Invitation

For the attention of the Presidents of all IPU Groups and CPA Branches

4 September 2025

Dear Presidents of IPU Groups and CPA Branches,

On behalf of the Parliament of Malaysia, the Commonwealth Parliamentary Association (CPA), the Inter-Parliamentary Union (IPU), and the United Nations Development Programme (UNDP), we are honoured to extend an invitation to your Parliament to participate in the **international conference on *The Role of Parliament in Shaping the Future of Responsible AI***, to be held in Kuala Lumpur, Malaysia, from 28 to 30 November 2025.

This landmark event will convene parliamentarians and senior parliamentary staff from across the globe to engage in a critical dialogue on the profound implications of Artificial Intelligence (AI) for our societies, economies, and democratic institutions. As AI technologies continue to evolve at an unprecedented pace, it is imperative that parliaments are equipped with the knowledge and tools to legislate, oversee, and ensure that AI is developed and deployed in a manner that is safe, ethical, and beneficial for all citizens.

The Conference will feature a dynamic, two-track programme designed to cater to the specific interests of both elected members of parliament and parliamentary staff. Plenary sessions will address the overarching policy challenges and opportunities presented by AI, while dedicated breakout sessions will offer deeper dives into legislative best practices, regulatory frameworks, and the practical application of AI within parliamentary processes.

The attached concept note contains details of the Conference and how to register a delegation. A detailed programme and practical information note will be circulated to confirmed delegates in due course.

To register your delegation, please submit the necessary information by **11 October 2025** via the following link: <https://forms.cloud.microsoft/e/tU2d6bKsGr>
