OPENING CEREMONY

The opening ceremony of the IPU Global Conference of Women Parliamentarians will be held on Tuesday, 2 June 2026, from 10:00 to 11:30 at the Sava Center. It will be hosted by the Speaker of National Assembly of the Republic of Serbia, Ms. Ana Brnabić (*tbc*).

ORGANIZATION OF PROCEEDINGS

In keeping with standard IPU practice, all delegates will have equal speaking rights. In order to ensure that the discussions are as vibrant, dynamic and respectful as possible, the following rules will apply:

- There will be no advance list of speakers on any agenda item. Chairs of Conference sessions will draw up a list of speakers from among the participants who request the floor at the beginning of a particular discussion segment. Session Chairs will endeavour to ensure gender and regional diversity among the speakers selected.

- Participants are asked not to read out prepared statements, but rather to engage naturally in lively discussions. Subject to arrangements that the Chairs of sessions may make depending on the circumstances, oral contributions may not exceed three minutes. Participants may speak several times on each item, particularly in response to other statements yet should avoid pursuing the matter in the form of a dialogue.
- Participants shall not engage in abusive language that is defamatory, intolerant, sexist, racist, xenophobic, or that incites hatred and violence. The Chairs of sessions shall have the prerogative to call a speaker to order when the latter does not keep to the subject under discussion or prejudices the debate by using abusive, discriminatory or hateful language. If the disturbance continues, or if a further offence is committed, the speaker may be denied the right to continue to speak. The Chair may decide to deactivate the speaker's microphone.

LANGUAGES AND INTERPRETATION

English and French are the official working languages of the IPU. Nonetheless, simultaneous interpretation will be available into and from Arabic, English, French and Spanish.

The National Assembly of the Republic of Serbia will provide a simultaneous interpreting system (SIS). A limited number of additional interpretation booths will be made available on a first-come, first-served basis for national delegations who wishes to bring their own team of interpreters. Potential booth rental costs and interpreters' fees will be covered by the delegations who will book the booths.

The additional interpretation booths will be located in the main conference room.
