OPENING CEREMONY

The Regional Conference opening ceremony will take place on Wednesday, 2 December 2026, from 19:00 to 21:30, in the Hall of Lost Steps (Salón de los Pasos Perdidos) of the Legislative Palace. It will be chaired by Carolina Cosse, President of the General Assembly and of the Chamber of Senators.

ORGANIZATION OF PROCEEDINGS

In keeping with standard IPU practice, all delegates will have equal speaking rights. In order to ensure that the discussions are as dynamic, vibrant and respectful as possible, the following rules will apply:

- There will be no advance list of speakers on any agenda item. Chairs of Conference sessions will draw up a list of speakers from among the participants who request the floor at the beginning of a particular discussion segment. Session Chairs will endeavour to ensure gender and regional diversity among the speakers selected.

- Participants are asked not to read out prepared statements, but rather to engage naturally in lively discussions. Subject to arrangements that the session Chairs may make depending on the circumstances, oral contributions may not exceed three minutes. Participants may speak several times on each item, particularly to respond to other statements, but should avoid addressing issues in the form of a dialogue.

- Participants shall not engage in abusive language that is defamatory, intolerant, sexist, racist or xenophobic, or that incites hatred and violence. Session Chairs shall have the prerogative to call a speaker to order when the latter does not keep to the subject under discussion or prejudices the debate by using abusive, discriminatory or hateful language. If the disturbance continues, or if a further offence is committed, the speaker may be denied the right to continue to speak. The Chair may decide to deactivate the speaker's microphone.

LANGUAGES AND INTERPRETATION

English and French are the official working languages of the IPU. Nonetheless, simultaneous interpretation will be available into and from Arabic, English, French and Spanish.

The General Assembly of Uruguay will provide a simultaneous interpretation system (SIS). Two additional interpretation booths will be made available on a first-come, first-served basis for national delegations that wish to bring their own team of interpreters.
