Collect and utilize accurate and disaggregated data as a basis for evidence-based policies (GC/M Objective 1) – Regional dimensions

1. Elaborate and implement a comprehensive strategy for improving migration data at .. regional .. levels (para 17a)
2. Collect, analyse and use data on effects of migration to inform A2030 implementation at .. regional .. level (para 17d)
3. Collaborate between .. regional .. databases and depositories (para 17e)
4. Establish and strengthen regional centres for research and training on migration or migration observatories (para 17f)
5. Conduct household surveys improve .. regional .. data comparability (para 17h)
Comprehensive strategy for improving migration data – Key elements
(Report of the Secretary-General on international migration and development, A/73/286, Chapter V)

1. Leveraging the 2020 round of population censuses
2. Using migration data from administrative sources
3. Gathering data on migration through sample surveys
4. Supporting demand-driven training programmes
5. Establishing regional training centres
6. Promoting cooperation and partnerships
GC/M implementation (para 40-47)

Regional dimensions

• Call for concerted efforts at ... regional ... levels to implement GC/M

• Implement the GC/M through enhanced bilateral, regional ... cooperation

• Invite regional and sub-regional fora to provide platforms to exchange experiences on GC/M implementation
GC/M follow-up and review (para 48–54)

Regional dimensions

- Review progress made at ... regional ... in GC/M implementation in the framework of the United Nations
- International Migration Review Forum to discuss the implementation of the Global Compact at the ... regional ... level (2022, 2026, etc.)
- **Sub-regional, regional and cross-regional** processes, platforms and organizations, incl. RECs and RCPs, to review GC/M implementation (2020, 2024, etc.)
- Other (non-regional) platforms, such as High-level Political Forum, UN Statistical Commission, etc.
