Parity Debate

#Not In My Parliament: National and regional strategies

Wednesday, 16 October, Hall 1/0 (ground floor), Building A of the Sava Centar from 9 to 10.30 a.m.

The overall aim of the parity debate is to promote dialogue between women and men at the IPU, and encourage them to debate issues of common interest together. An equal number of men and women will speak in the debate so that the views and experiences of both genders can emerge clearly while ensuring that gender equality concerns are mainstreamed into the discussion.

Delegations are therefore invited to be represented in this debate by male and female participants. The parity debate will focus on national and regional strategies to end sexist harassment and violence in parliament.
