**COMMUNICATION ADDRESSED TO THE SECRETARY GENERAL BY THE SPEAKER OF THE  
NATIONAL ASSEMBLY OF THE ISLAMIC REPUBLIC OF PAKISTAN**

Islamabad, 9 July 2020

Dear Mr. Secretary General,

I am writing to you with reference to the forthcoming election of the President of the Inter-Parliamentary Union (IPU) at the 206th session of the Governing Council (virtual meeting) scheduled to be held from 1 to 4 November 2020.

On behalf of the Parliament of Pakistan, I am pleased to put forward the candidature of Senator Muhammad Sadiq Sanjrani, Chairman, Senate of Pakistan (Tenure as Member, Senate of Pakistan, from March 2018 to March 2024) for the forthcoming election of the President of the IPU from the Asia-Pacific Group. The portfolio of IPU President is the highest position in the largest and oldest forum of parliaments in the comity of nations. The Senate of Pakistan shall fully support the activities of Senator Muhammad Sadiq Sanjrani as the new President of the IPU. (Curriculum vitae of the candidate is attached.)

I wish to share with you that Senator Sadiq Sanjrani is a very active politician, a dedicated political worker and holder of key parliamentary and executive positions. Having served at key positions in different public sector organizations, ministries and departments, Senator Sanjrani has proactively worked towards provision of basic amenities, promoting tolerance and socio-economic empowerment of people and communities from deprived and marginalized areas. Through his engagements, Mr. Sanjrani has first-hand experience of development disparities in the country as well as in the region. He is a vociferous advocate of judicious distribution of resources and eradication of structural inequalities existing in the country as well as the region. In his capacity as Chairman, Senate of Pakistan, he has led the agenda of social inclusion through parliamentary diplomacy. We have witnessed some unprecedented and much required initiatives taken from parliamentary fora to facilitate the process of inclusive decision-making.

Senator Sadiq Sanjrani stands firm to the principle of peaceful co-existence and shared prosperity. Under his Chairmanship, to promote the principles of regional inclusivity, and socio-economic mainstreaming of far-flung areas, the Senate of Pakistan has hosted meetings of the Asian Parliamentary Assembly, Standing Committee on Political Affairs, at the emerging port city of Gwadar in October 2018. Similarly, he has institutionalized linkages between the IPU and Member Parliaments by steering the signing of the MOU between the IPU and the Senate Secretariat. Through this MOU, the Senate of Pakistan was able to learn from international best practices on parliamentary strengthening. The meeting witnessed delegations from 23 countries as well as the Secretary General of the IPU.

It is important to note that Senator Sanjrani's candidacy is a State nomination; since, in addition to having the support of both Chambers of the Parliament of Pakistan, it is also backed by the Government of Pakistan. In essence, Senator Sanjrani's candidacy provides a unique opportunity to occupy the Presidency of the IPU for the first time, in continuation of adequate and effective representation of Pakistan in various Committees of the IPU and other international fora. In the wake of recent challenges posed by the COVID-19 pandemic, Senator Sanjrani reached out to almost all parliaments of the world for greater cooperation amongst the nations to share their experiences in containing this pandemic.

Given his dynamic contributions in the political and parliamentary spheres, we are convinced that the IPU Presidency will benefit from Senator Sanjrani's strong commitment towards promoting the IPU ideals and values. He will be instrumental in furthering the IPU's vision of strengthening democracy and parliaments to serve the people for peace and development.

Yours sincerely,

(Signed)

Asad QAISER  
Speaker of the National Assembly of the  
Islamic Republic of Pakistan

**HON'BLE MUHAMMAD SADIQ SANJRANI**  
**Chairman, Senate of Pakistan**
